

MOSAIC ASSOCIATION
OF AUSTRALIA
AND NEW ZEALAND

www.maanz.org Compiled by Kathryn Portelli Sep 2013

START - Parliament Station 3.3km walk – 2hrs+

(Bourke St end) Cross Spring St at the lights. In front of Parliament steps is **p1 Another View - 1994** red granite/ brass pavement inlay. Ray Thomas and Megan Evans. One of the few left of 8 inlays placed around the CBD.

p2 Victorian Parliament portico – 1892 English ceramic tile
Inside, past security, join a guided **half hour tour** (on the half hour for small groups / on the hour for bookings over 6 – www.parliament.vic.gov.au/visit/).

p2a Victorian Parliament vestibule - 1879 – floor of English tiles
Right upon exiting building to the edge of park. Take the walkway along the RHS of the park to Albert St, turn right. Mural is across the road.

p3 The Legend of Fire - 1982 smalti. Metropolitan Fire Brigade HQ. Harold Freedman AOM was State Artist from 1972 for 11 years.

Turn left into Gisborne St and cross Victoria Parade at lights. Walk 2 blocks to the Australian Catholic University foyer. Near reception is

p4 Mosaic - 1999 ceramic aboriginal motifs
Cross road at lights into Landsdowne St, turn right into Cathedral Place. **p5 Reconciliation - 1999** granite and brass inlay. St Patrick's Cathedral forecourt pavement by Glenn Romanis and Megan Evans.

p6 St Patrick's Cathedral - 1900 – Front Sanctuary – English mosaics. Rear Sanctuary and Chapels – imported mosaics from Venice

Cross road to church opposite and enter the laneway next to the rear carpark into the Park Hyatt. Elevators on the right in the foyer past the Reception will take you to the Day Spa on the 9th floor. Ask the Day Spa Receptionist for a view of the pool.

p7 Water Nymphs - 1998 glass mural water wall
p7 Pool surrounds and pillars - 1998 Bisazza glass tiles installed by Tactile Mosaics, Rob DiVirgilia, Bisazza Master Installer

Exit left on Parliament Place, then right into St Andrews Terrace, then left on Macarthur St. Cut through park walkway on RHS to Little Collins St. Walk down Lt Collins 2 blocks to Meyers Place. On side of blue restaurant

p8 Space Invader – 2003 1 of 26 in the Melbourne hit by French 'Invader'. Continue along Meyers, turn left into Bourke St. Cross to the other side of Bourke St at lights, then walk down to 160, 'White Tomato' restaurant. **p9 Sunburst –** no details on this entrance step and overhead mural.

Turn right at Russell St, at the intersection of Russel and Little Bourke Sts Now decide if you would like to search for another Space Invader! Walk up Little Bourke St in Chinatown to Croft Alley. In the laneway is **p10 Space Invader**- pixellated computer graphic in glass

Walk downhill, into the lower block of Chinatown. Bullens Lane is the first lane on the LHS and on the corner up high is **p11 Space Invader –** glass graffiti. Continue to Swanston St.

Now you can find another **Space Invader**, see the **Melbourne Central Food Court** mosaics and catch the train, by **TURNING RIGHT**. The **d5 Space Invader –**is on Little Lonsdale, on the first corner, Drewery Ln Then continue along Swanston St to Melbourne Central Station.

OR TURN LEFT, walking along Swanston St to connect with **1 Arts 4 Fed Sq Flinders**. You will pass **The Town Hall, Manchester Unity Arcade, Brunetti, Ladies Only and St Paul's** on your way to Flinders St Station. You can catch the **free CITY CIRCLE TRAM** downhill to the corner of Clarendon/Spencer and Flinders to start the **3 Docklands Southern Cross** map by walking to the **Crowne Plaza on Clarendon St**.
