MAANZ
MOSAIC ASSOCIATION
OF AUSTRALIA & NEW ZEALAND

WILD AT HEART

About the Workshop:

Award-winning UK mosaic artist Tamara Froud is coming to South Australia to run a weekend workshop. This is your unique opportunity to learn about storytelling with mosaics! She is dedicated to bringing mosaic art to a wider audience. Join us - no experience necessary!

Tamara Froud is joining forces with local MAANZ Community Officer Kristin Wohlers to compose beautiful Stobie Pole panels. The Rondels, from the Common Unity – Wild at Heart project made by mosaic artists across Australia and ten other countries, will be the content of the artworks and we will create a meaningful background for each one.

You will Learn About

- Design and layout for a specific location
- Preparing a base for mosaics
- Tools of the trade
- Cutting techniques
- Appropriate adhesives, grouts and sealers for public art
- Option to help with the installation

SA Stobie Poles will be the permanent home for the mosaics!!

SA's own Power Poles made of concrete and steel provide the perfect place for the display of mosaic art.
